VIRGINIA FEMALE INSTITUTE, STAUNTON, VA.

# Virginia Female Institute

STAUNTON, VA.

MRS. GENERAL J. E. B. STUART, Principal.

This Institution, under the management of the Present Principal, is increasing in numbers and popularity, its high character giving it a place equal to any School in the country.

The Principal has a constant care for the MORAL and RELIGIOUS CULTURE of her pupils, while the course of mental and physical training is very thorough.

## THE ART SCHOOL

is under most excellent management; the Pupils are deeply interested and are doing credible work of every kind.

## THE MUSICAL DEPARTMENT

is under the supervision of Prof. F. R. Webb, a teacher of high grade and a well known composer. He is at the same time a Fine Pianist, and Organist of considerable reputation. Being thoroughly identified with the School he spares no pains to encourage an enthusiastic love for the study of this accomplishment.

Miss Dew a teacher of experience and skill, has charge of the Department of Vocal Music. She also has charge of the classes in Elocution and Reading.

Miss Lewis whose education in the Modern Languages was pursued in Europe—under most advantageous circumstances—has charge of all classes in French and German.

The entire building is warmed by Steam and lighted with Gas, thus insuring Comfort and Safety.

Hot and Cold Water is found in the Bath Rooms, which are pleasantly warmed, thus affording a great increase of comfort to all.

The Healthfulness of the Valley of Virginia is well known and pupils coming from malarial sections soon become robust and strong; the pure mountain air seems specially suited to the restoration of delicate throats, serious trouble of this kind rarely occurring.

Staunton is accessible by rail from all directions and has telegraphic communication with all parts of the country.

These and other advantages make it a favored centre of female education.

THE SESSION OPENS THE MIDDLE OF SEPTEMBER EACH YEAR AND CONTINUES NINE MONTHS.

My new palatial business house is now completed, and is a perfect gem in all its appointments. The site of my old frame structure is now adorned by one of the handsomest buildings in the city, to which I invite my friends and the public generally.

I shall eclipse my former reputation for supplying the choicest of Wines, Liquors, &c., to my customers, and shall dispense from my Paleocryptic Fountain the leading brands of American and Imported Beers. The Billiard and Pool Parlor, complete in every respect, where in peace and quiet, free from the madding crowd, and the customary juvenile loafer, gentlemen can enjoy this popular game.
